

All of the CDA required courses in Quorum are listed below in by CDA Subject Area, with the number of training hours in parentheses next to the course title. You will need to complete all of the courses on this document to meet your CDA training requirements of 120 hours across the eight CDA subject areas, unless you have training you have completed from other sources.

Please begin by choosing one course of interest to you. Then as your second course, take the **CDA Planner** course. After you complete the *CDA Planner* course, you should complete the other courses of all eight CDA Subject Areas. Just a reminder that you must complete all of the learning activities in each course to earn a course completion certificate, including the final Knowledge Assessment and Action Plan at the end of each course.
